What is expected from you:

Please treat our house with respect. This is a nice house in a quiet residential neighborhood. If you can't promise to treat our property and neighbors with respect, please don't rent it. We have worked hard to make this house nice, so it isn't worth any amount of money to see what we have accomplished be destroyed. No more than six people allowed. Sorry, **no pets** and **no smoking**. The Snow Creek Cabin has a full kitchen, so breakfast at the Rustic Cottages is not included.

Upon your departure, please let us know if you broke anything or if anything needs our attention. Also upon your departure, please wash all pots & pans, put the dishes in the dishwasher and start it. Put the garbage in the Rustic Cottage dumpster. Put all the used towels in a pile in the bathtub. Take a minute to tidy-up things--put the furniture back as it was; look for articles you may be leaving behind. Most importantly, have a great time!
